About Us

Yahska Polymers Pvt. Ltd is a manufacturer of wide range of chemicals used in the construction, disperse dyes, pigments, textile dyeing and leather manufacturing.

Company is promoted by Mr Sunil Kothari, with experience of 25 years in field of chemicals. We have two manufacturing facilities located in Ahmedabad. Unit 1 – Changodar S.No 407 Khata no 1217, Bh Sarvodaya Hotel, Moraiya, Changodar, Ahmedabad – 382213 Unit 2 – Vatva C-1/127 Phase I, Near Tiger Surgicals, GIDC Vatva, Ahmedabad - 382245 We have constructed a well structural and modern infrastructural base that assist us in processing world class chemicals and materials as per the global set norms. This unit comprises various sub-divisions such as admin, procurement, R&D, quality testing, sales, processing, transportation, logistic, packaging, warehousing, etc. All these sub-divisions are well resourced with essential amenities and managed under the supervision of our highly experienced and knowledgeable team of professionals. The company has been preferred vendor for more than 100 companies due to our positive records, client-focused approach, reasonable rates, excellent logistic facility and crystal-clear business dealings. Quality is the main motto of our firm therefore we assure our clients that these chemicals and materials are rigorously checked on numerous parameters.

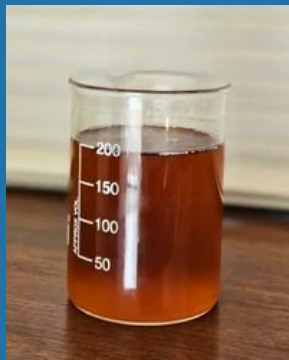

CONSTRUCTION CHEMICALS

Product Range

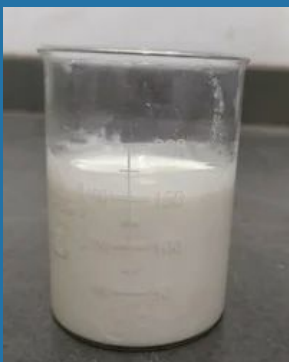

Sodium Gluconate (Yahska)

YPC KM 100

PC SR (PC Liquid)

MR 50W (Mold Release Agent)

CONCRETE ADMIXTURES

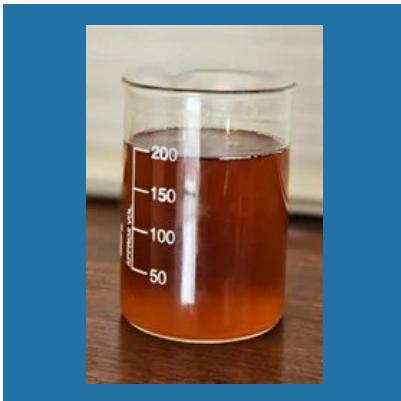

Product Range

Super Plast K 10 (SNF Based
Admixture)

Hyper Plasticizer (PC Base
Admixture)

YPC K 1 (PC Based)

AEA1010 (Air Entraining
Admixture)

GROUTING COMPOUND

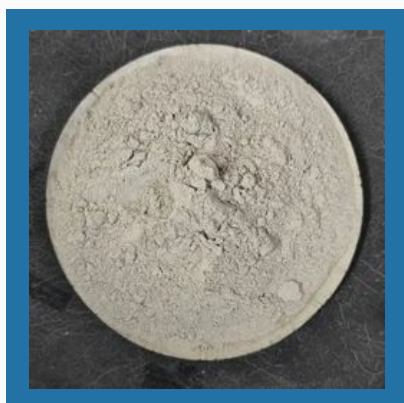

Product Range

YP Grout NS2

YP Shotset 30

YP Smooth Coat

DISPERSING AGENT

Product Range

Dispersing Agent NOF

Sodium Ligno Sulphonate

Sodium Naphthalene
Formaldehyde

OTHER PRODUCTS:

Yahska SBR Latex

Yahska SBA25 (Epoxy Glue)

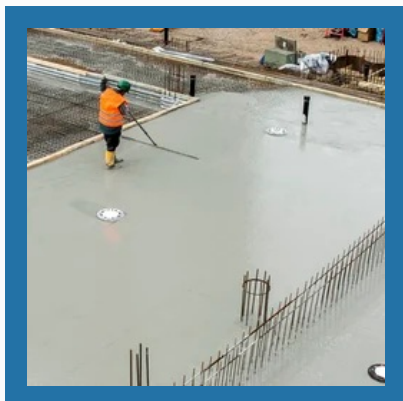

YP Crystal IP

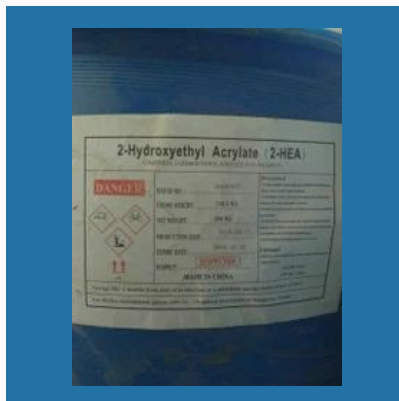

Super Cure CC 375

OTHER PRODUCTS:

Alumina Resin Based Curing Compound

HEA (2 Hydroxyethyl Acrylate)

TEA (Tri Ethanol Amine)

Super Cure CE20

OTHER PRODUCTS:

MR 100 (Mold Release Agent)

YP Accelerator (Admixture)

YP Micro Silica

IW0604 (Integral Waterproofing Chemical)

OTHER PRODUCTS:

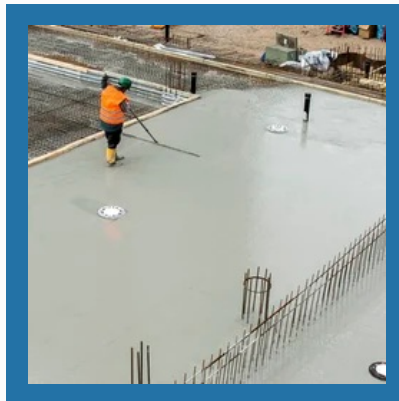

YP Polysulphide P

YP Grout MC (YP Micro Concrete)

YP CP LUBE

Concrete Curing Compound

Factsheet

Year of Establishment	: 2006
Nature of Business	: Manufacturer
Total Number of Employees	: 26 to 50 People
